

## SOCIAL INNOVATION ROUND TABLE

### “THE SPANISH & EUROPEAN PERSPECTIVE AND COMMON GOOD FIRST”

10h30 – 13h. Wednesday May 22<sup>nd</sup>, 2019.

Salón de Grados, Facultad de Económicas, Universidad de Alicante

#### **Objectives:**

The aim of this event is to present and discuss the situation of social innovation (education, support for SI projects and enterprises etc.) in Europe and South Africa, and to review the aims of the Common Good First (CGF) project for social impact projects in Europe. This event should bring together different voices, from Academia, Community, Policy, Businesses, in order to be able to look at this issue from different viewpoints and include real-life experience.

El objeto de este evento es presentar y discutir la situación de la innovación social (educación, apoyo para proyectos y empresas sociales etc.) en Europa y en Sudáfrica, y revisar los objetivos del proyecto CGF para proyectos de impacto social en Europa. Este evento quiere juntar voces diversas del mundo académico, comunidades, gobierno, empresa etc., para poder considerar este tema desde puntos de vista diferentes e incluir experiencias reales.

#### **About Common Good First:**

Common Good First (CGF) is an Erasmus+ Capacity Building in Higher Education project, coordinated by Glasgow Caledonian University. In order to support and grow the emerging South African social innovation sector, CGF will create an online platform to capture and showcase social impact projects in South Africa, connecting them to each other, academics and HEIs around the world. The ultimate vision for CGF is to roll out the platform (and associated teaching modules and social innovation resources) more widely within Africa, Europe and beyond.

Common Good First (CGF) es un Proyecto de construcción de capacidades financiado por el programa Erasmus+, y coordinador por la Universidad Glasgow Caledonian. Para apoyar y

ayudar a crecer el sector emergente de innovación social en Sudáfrica, CGF creará una plataforma online para captar y mostrar proyectos de impacto social en Sudáfrica, conectándolas entre ellas, y con académicos y universidades por todo el mundo. La visión última de CGF es ampliar la plataforma (al igual que los módulos educativos y recursos de innovación social asociados) de forma amplia en Africa, Europa y más.
