

Mr. Jorge Riquelme-Galindo (MSN, RN)

He is finishing his Master Degree in Nursing Research at the University of Alicante. Nowadays he is working as a Registered Nurse at the Intensive Care Unit in Clinica Vistahermosa Alicante and also is a Study Nurse at Dermatology Area in Hospital General de Alicante. He has been working as an Emergency Room (ER) Nurse too. During his studies he obtained one research grant from the University of Alicante and another one from the Spanish Education Ministry both of them associated to Palliare Dementia Project. Jorge has been working actively in European Research Projects such as the ISTEW Project and Palliare Project and also collaborating with Latin-American Research Projects led by Dr. Manuel Lillo-Crespo. He is also the Co-Editor in Chief of IMPACT Journal, co-founder of Improving Actions in Health Association and future PhD Candidate.
